FORMAT OF PLAY

All players hit every shot. The best shot is selected and all player hit from the point until the ball is holed.

Each player is required to contribute at least TWO (2) tee shots during the round.

You may lift/clean and place within one club length – including hazards.

SCOREKEEPING

Each team has been re-handicapped and assigned a new team handicap. This team handicap will be deducted from the gross scramble score to determine the team “net” score. (If you are missing a player, the score has been adjusted.)
